Dear General Hiestand:

Thank you for your letter inviting me to address the Military Intelligence Officer Advance Course of the U. S. Army Intelligence Center and School. I will be very happy to talk to the students and Staff and Faculty members on "Looking Forward in Intelligence" on the afternoon of the 27th of June.

I received a letter from Colonel Dalton inviting me to also address the convention of the National Military Intelligence Association at their dinner on the evening of the 28th of June in Sierra Vista, and I plan to do so. It will then be necessary for me to leave the Ft. Huachuca area the morning of the 29th of June.

I am pleased to be able to accept your invitation, and I look forward to seeing you again then.

Dear General Walters:

As you know the Military Intelligence Officer Advance Course of the U.S. Army Intelligence Center and School prepares officers for intelligence command and staff assignments as well as attendance at the U.S. Army Command and General Staff College. To prepare officers for these positions, the USAICS conducts a guest speaker program with speakers from positions of great responsibility within the intelligence community.

On behalf of the Staff and Faculty, I would like to invite you to address the Advance Classes in session on the afternoon of the 27th of June on a subject of your choosing. ~~The students as well as members of the Staff and Faculty~~ will be very interested in any topic you might choose.

This particular time frame is very important to the USAICS as well as the Military Intelligence Branch. The 28th of June is the USAICS organization day and the 29th is the date of the MI Ball at Fort Huachuca. Additionally the recently formed National Military Intelligence Association is having their convention in Sierra Vista, Arizona located adjacent to Fort Huachuca, on June 27 and 28. The board of directors of the N.M.I.A. has asked that I take this opportunity to invite you to address their convention at their dinner on the evening of the 28th of June. A letter from the President of the N.M.I.A., Colonel Dalton, will be forthcoming.

If your schedule permits you to accept our invitation a detailed itinerary will be sent for your approval. Hopefully, you can be here for this very important period in the history of Military Intelligence.

Sincerely,

HARRY H. HIESTAND
